HISTORY

On September 4, 1951, seventeen freshmen enrolled at MHS: Ronald Black, Carol Ann Blair, Norma Bures, Dianne Burton, Jeanne Burton, Marlene Christenson, Arlene Davis, Phyllis Druin, Rhoda Hollingsworth, Jeanette Lewison, Patty Long, George Lord, Duane Orr, Kenneth Orr, Rachel Tiahrt, Roger Tigert and Ronald Turner. We were initiated on September 14. During the second semester we lost one member of the class, Arlene Davis.

During our sophomore year we again had seventeen members, as Betty Wibben had transferred from Gayville. One of the memorable occasions of the year was the crowning of two members of our class, Jeanette Lewison and Ronald Turner, as king and queen of the school's annual carnival.

The junior year of our class started with only fifteen members. Norma Bures, Marlene Christensen, and Patty Long had dropped out and a new student, Jim Johnson, had enrolled. We presented our first class play, "Mrs. Sam from Roaring Dam," on October 27, 1953. By the time the Junior-Senior Banquet and Prom was held, May 18, Norma Bures had returned to the class and we numbered sixteen.

Two old members of our class were missing as we started our senior year, and one new student had enrolled. Rachel Tiahrt moved to Oregon and Jeanne Burton was married to a former Meckling student and also moved away. Lavirl Haight filled one vacancy, making the total number of the class fifteen. The senior class play, "Constable Jerry from Fulton's Ferry," was presented on March 4. On May 13 we were guests of the junior class at the Junior-Senior Banquet and Prom. Baccalaureate on May 22 and Commencement on May 24 drew the curtain on our high school days tightly closed, but our memories of those wonderful days will always remain.

PROPHECY

This is station MUSH-TV, channel 1955, and your announcer, RONNIE (GABBY) TURNER, reporting yesterday's news today from the great metropolis of Meckling on the 1st day of April, 1956.

From the society column of the "Meckling Times," we find these items: RHODA HOLLINGSWORTH now runs the Hollingsworth Beauty Salon, which is a branch of the Liberace fan club. She also is singing in the Mecklingtropoliton opera company in her leisure time. DUANE ORR is Electrical Engineer at the I.C.U. studios in East Meckling. The youngest set of twins of Mr. and Mrs. Max Quick (nee BETTY WIBBEN) entered the Public Military Academy yesterday to prepare to make their mark in the world. ROGER TIGERT is manager of the mattress and pillow department at Mary Ann's Department Store. We find DIANNE BURTON became the blushing bride of a Texas oil millionaire. After their honeymoon in Bermuda, they will make their home at 2139 East Park Avenue in East Meckling. CAROL ANN BLAIR is also married and has 9 girls. They are the first players on the Meckling Girls Baseball Team. They have won all their games. RONNIE BLACK is now owner of the Black Shoe Polish Manufacturing Company. He worked his way up from bottle filler. Here is something about another Mecklingite, JEANETTE LEWISON; we find that she owns a chain of Black Angus ranches. Her hobby is getting them to pose for her art pictures. JIM JOHNSON can now be seen in his latest picture, "This Ole House," in which he sings the title song. LAVIRL HAIGHT and KENNY ORR have invented "the car of all cars," the super-duper speed demon that goes around ALL corners on no wheels--it has no wheels.. NORMA BURES is married to one of her patients, whom she nursed back to health at the Meckling Veteran Hospital. PHYLLIS DRUIN has taken over the ownership of the Vermillion Tavern and has moved to central Meckling where there is more business. (Vermillion is now one of the smaller suburbs of Meckling.) GEORGE LORD is editor of the Meckling Times; he has an all girl staff. He says, and I quote, "I sort of got used to the idea when I worked on the school paper with all girls." Unquote.
